Summary of Volunteer Activity:

TRU UNICEF Club:

As an invested volunteer I am highly involved in all aspects of the club including but not limited to onboarding/recruiting, planning, fundraising, community outreach, and events. Due to COVID-19 Pandemic many of our original plans for events have needed to be altered to adhere to Health & Safety Guidelines, but we have still found many ways to fundraise for the club.

An example of one our most successful fundraisers this past year included: (1) Our annual Flowergram Fundraiser for Valentines day which required planning, creating a website portal for purchasing, networking with local flower shops for donations, creating the flowergrams for each purchase, delivering the flowers to local individuals, and of course donating our proceeds to UNICEF to purchase survival kits. UNICEF’s survival kits are tangible, lifesaving items delivered to high-need children in families internationally. These said gifts provide children with healthcare, clean water, nutrition and education to list a few in order to support them to not only survive, but thrive as functioning members of society.
