Event: School District #83 Green Campaign Contest & Presentation

Summary of Activity:

Myself and two of my peers in the public school system created a Green slogan for the school district's Green Campaign Contest. We won the contest, and as a result our slogan became the Green Slogan distrusted amongst all of SD #83, and we were not only recognized in a school assembly, but also presented it in front of our school district leaders and visitors at a school-district wide conference regarding environmental sustainability.

Dates/Duration of Activity: 2010
